BLACK RESTORE®

Permanently Restores Deep Rich Black Color to Dull Surfaces.

Black Restore 6 fl. oz.,
Applicator Sponge and
Nitrile Gloves

TUF SHINE Black Restore is a unique **NEW** product used to restore faded/oxidized tires and black exterior trim. It will permanently revitalize older, weathered looking surfaces. Apply it with the sponge applicator (included) and watch those surfaces go from dull to new with very little effort. Use with **TUF SHINE** Permanent tire clearcoat as a topcoat for additional shine.

BEFORE

AFTER
